IF IT'S OUTSIDE, WE'RE IN!

A GREAT TRAVEL
PHOTOGRAPH AWAKENS
THAT ADVENTURER IN ALL
OF US. IT FILLS US WITH
THE DESIRE TO GET OUT
AND EXPERIENCE
SOMETHING NEW.

“Get Out And Live Your Adventure”

We decided a long time ago, life is too short to be doing something we don't love. Today our office is the great outdoors. Our life is outside the ordinary, with no regrets or compromises.

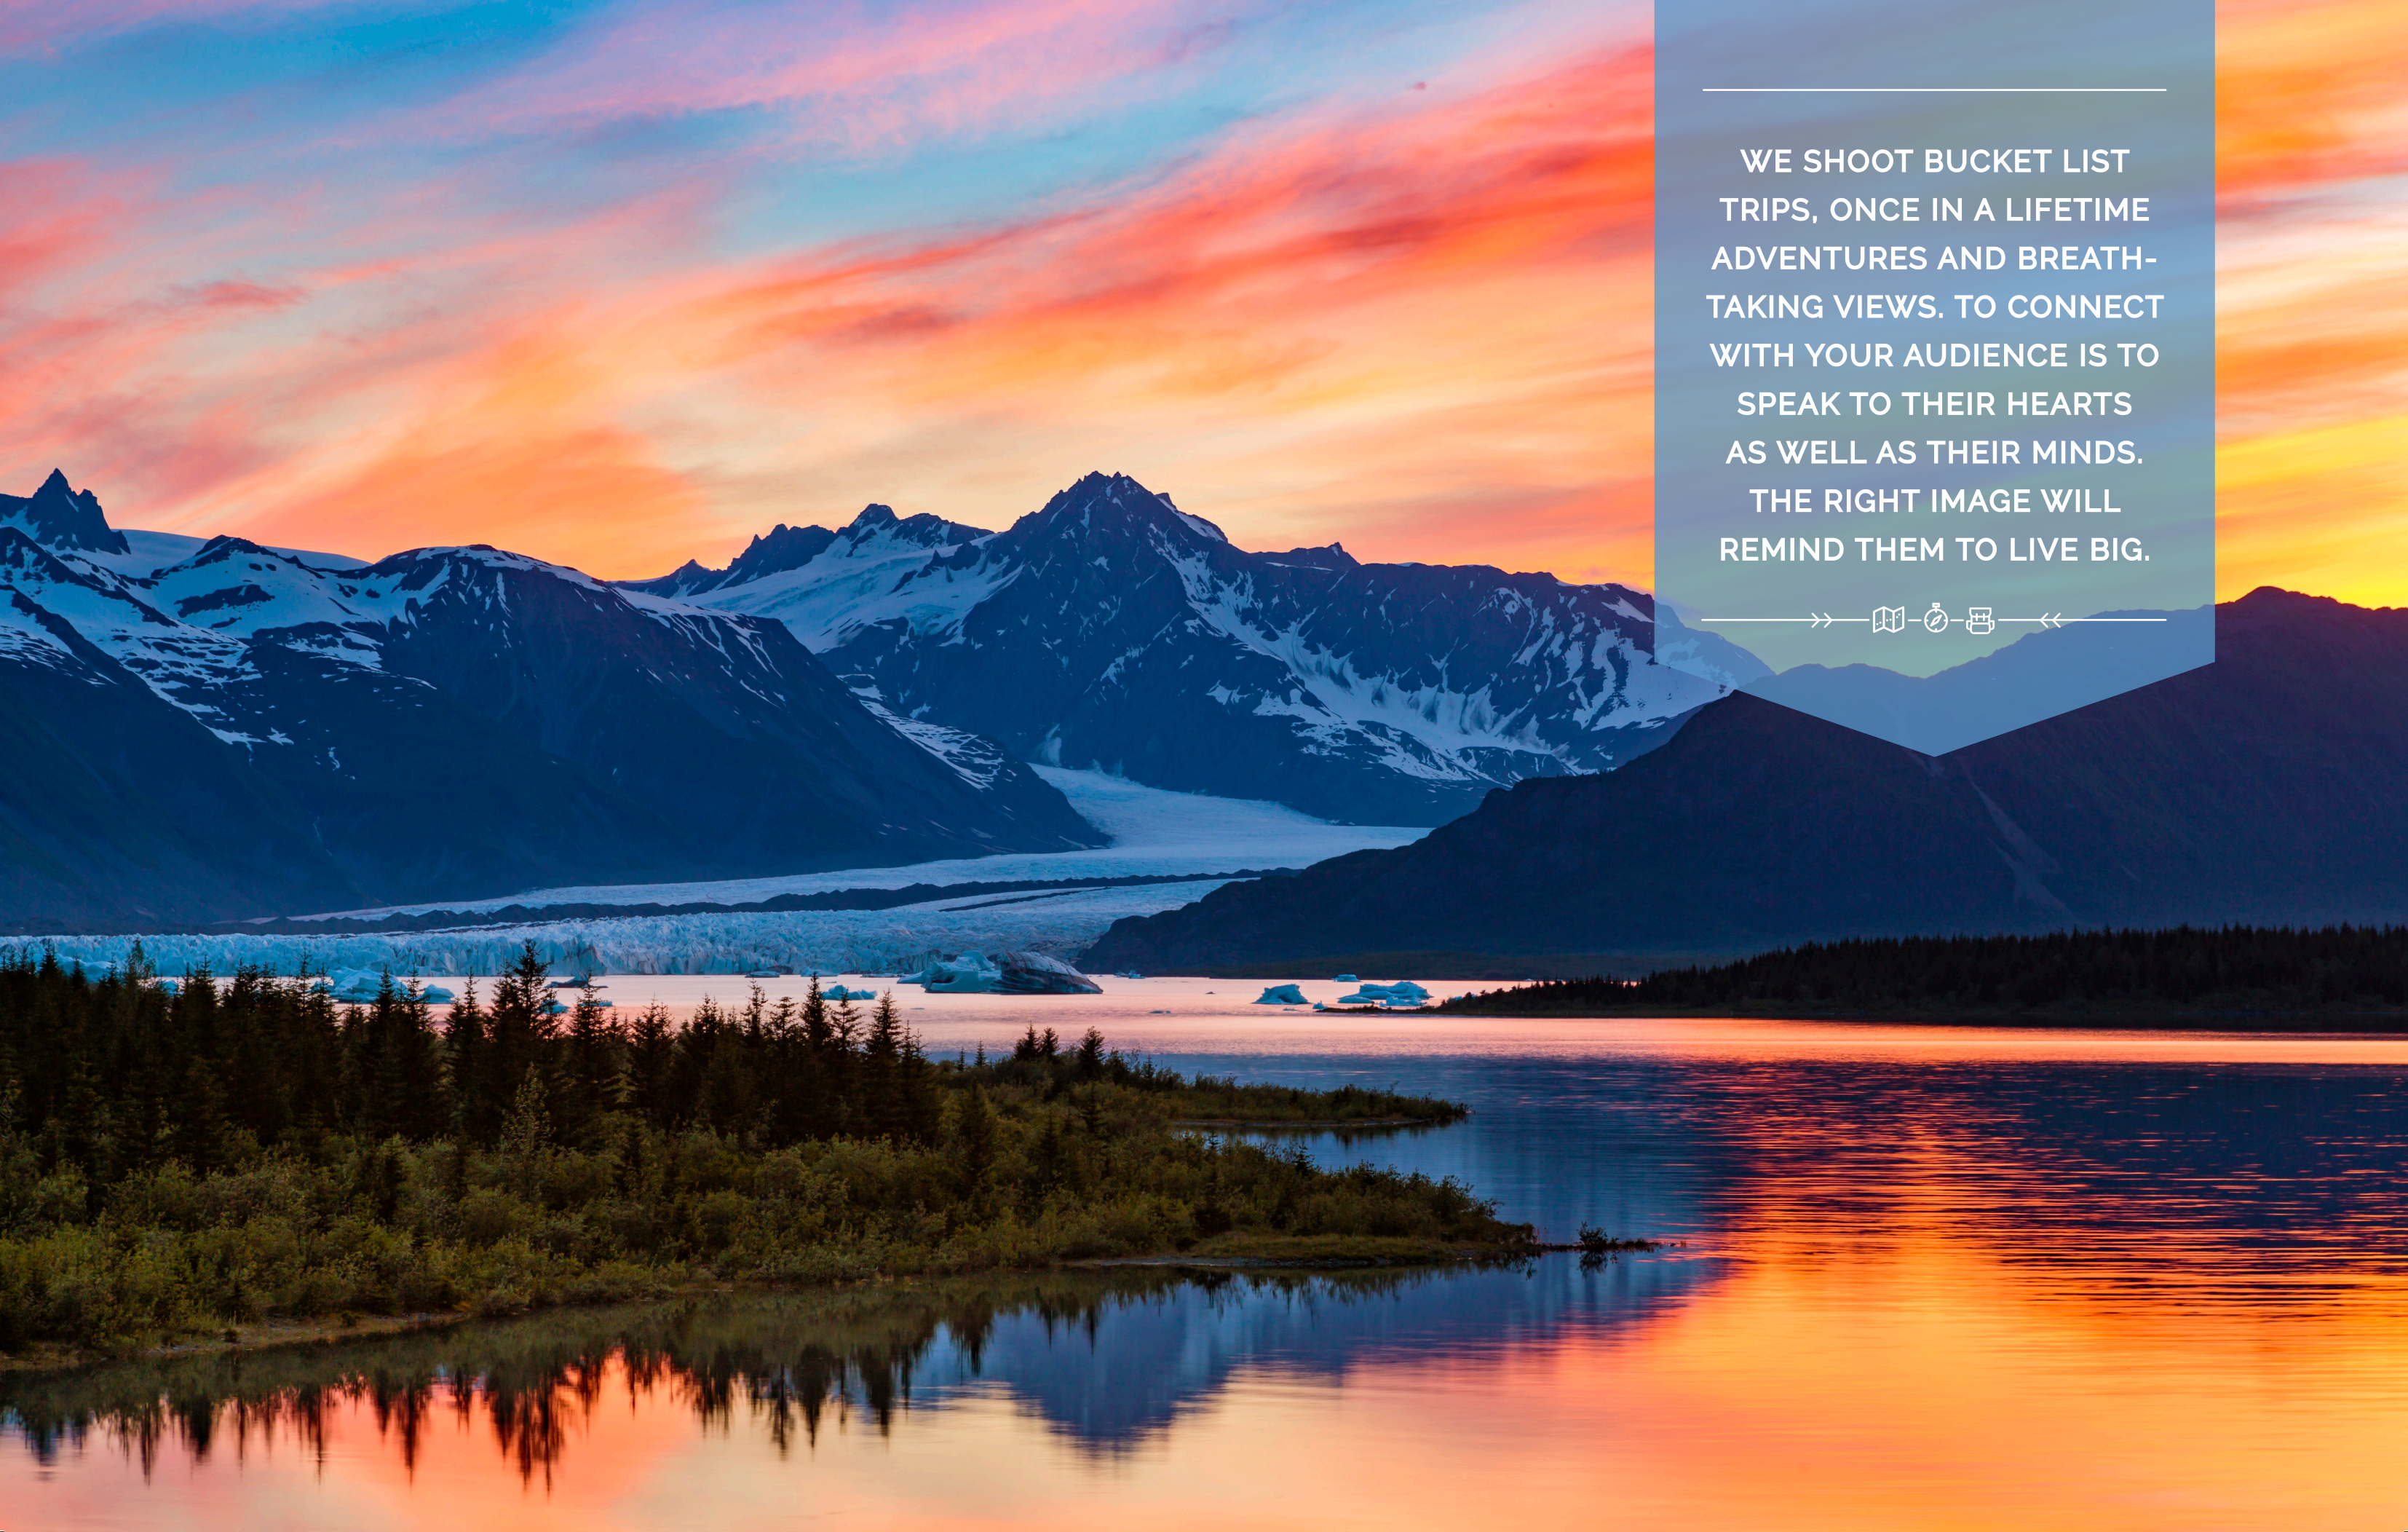

This philosophy is at the heart of the images we make. We aim to wake up a spirit in people, that voice they hear that tells them to get out and live. Even if your life is traditional most days, when you are in front of our camera, the adventure begins.

Walking into any situation, from summer to winter, water to mountains, our goal is to find a way to visualize our love for the outdoors. The connection we humans have to nature is magical. If we have done our job well, we have not only captured the physical benefits but also the emotional and spiritual rewards from an inspiring experience.

WE SHOOT BUCKET LIST
TRIPS, ONCE IN A LIFETIME
ADVENTURES AND BREATHTAKING VIEWS. TO CONNECT
WITH YOUR AUDIENCE IS TO
SPEAK TO THEIR HEARTS
AS WELL AS THEIR MINDS.
THE RIGHT IMAGE WILL
REMIND THEM TO LIVE BIG.

“Capturing An Unforgettable Experience”

Welcome to our playground, our biggest source of inspiration. Breathe that fresh air.

The key to photographing the great outdoors is to honor the gift it gives to those who are open to the experience. If you are lucky enough to recognize the very moment one sees where they are standing as their happy place, you can capture that emotional feeling in an image. You literally witness the awe and wonder that rushes over them. Sure you must keep an eye on the ever changing weather and light, line up your story in an ideal composition, but the magic is in waiting for wild beauty to reveal itself and give you a life changing moment.

That ahhh moment has shown itself, and the image you have created is unforgettable.

“Our Approach”

Our story is as authentic as our images. As an adventure lifestyle and travel photographer, our goal is always to inspire the viewer to want to take this very trip. There are no shortcuts to photographing adventure. One can't overthink it. You need to get absorbed by the moment.

We embrace existing light and a “be mobile” mantra. This means we minimize equipment and maximize capturing candid, experiential moments with minimal set up time. Whether you need a photographer to shoot an advertising campaign, build a custom library for your branding needs, capture unique stories through a series of editorial style adventures or license existing images... we can deliver the content you need to connect with your audience.

WORDS CAN BE POWERFUL,
BUT THE RIGHT TRAVEL
ADVENTURE PHOTO WILL
EMPOWER YOU TO TAKE
THAT TRIP YOU DESERVE.
